

Meta Quest 2 is the all-in-one system that truly sets you free to roam in VR with no wires or cables to limit your experience. A super-fast processor and high-resolution display help to keep your experience smooth and seamless, even as high-speed action unfolds around you. 3D positional audio, hand tracking and haptic feedback make virtual worlds feel real. A built-in battery lets you explore further for longer as you discover a growing library of over 350 titles across gaming, social/multiplayer, fitness, and entertainment. Incredible social spaces and multiplayer arenas let you meet, play, and build communities with people from all over the world. Travel universes in blockbuster fantasies, scare yourself witless in horror adventures or collaborate with colleagues in innovative workspaces. Sit front row with friends and family at movies and live events, find your new workout crew or join quests with fellow adventurers. And you can access over 1,000 titles in the Quest library by connecting your VR headset to a gaming-compatible computer (PC and cable sold separately). Let your friends and family into your VR world by casting your experience to compatible TVs and other screens. And anywhere you go in the real world, you can take your lightweight, portable Meta Quest 2 with you.* Meta Quest is for ages 13+. Certain apps, games, and experiences may be higher. Requires mobile device, Wi-Fi, and companion app for setup. Account registration required.

Next level hardware

A super-fast processor and high-resolution display help to keep your experience smooth and seamless, even as high-speed action unfolds around you.
